## **Our “Success to Employment” Programme is a new individualised skill building programme, which is designed to meet your needs and those of the local job market.**

These programmes are FREE, do not affect any benefits and maximise your employment opportunities.

All pathways have good progression routes and learners will be able to continue training once they gain employment.

The focus of the programme is to provide accredited and approved training that leads to a full Level 2 or 3 qualification or adult basic skills.

### **Pathways include:**

- Cleaning and Support Services
- Health and Social Care (Working with adults with disabilities)
- Office Administration
- Business Management
- IT for Employment
- Fork lift/Warehouse Training
