

Are you a prospective apprentice or school leaver looking at Apprenticeships?

Are you a current apprentice seeking support and guidance during the current Covid-19 pandemic?

EMPLOYER SERVICES

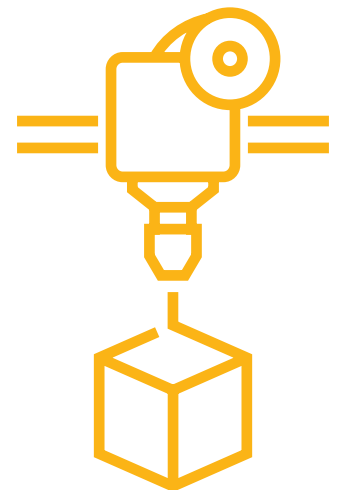

If so, Dudley College of Technology has a range of live streams scheduled for you to attend from the comfort of your own home. All you will need in order to take part is an internet and audio enabled computer, phone or tablet.

These short, fun, informative sessions will give you the chance to ask a panel of experts any questions you may have and receive an instant response.

For more information, including the dates of our live events and how to join in, please visit www.dudleycol.ac.uk/Apprenticeships/Open-Days or call 01384 363106
